G.O. NO. 1392

Dated 15-4-1953

[Despatch Abstract.]

Malaria - South Kanara District - Scheme of control - Continuance - Sanctioned.

From
Dr.K.S.Viswanathan,M.P.H(HARVARD)
Director of Public Health,
MADRAS, KILPAUK

To
The Secretary to Government,
Health Department,
FORT.ST.GEORGE, MADRAS

R.No.3750-1 Mal(2)/53 Dated 3-2-1953

Sir,

Sub:-Malaria - South Kanara District - Scheme of anti-malaria measures - Continuance from 1-4-1953 Proposals - Forwarded.

Ref:-1)G.O. Ms.No.1728 Health dated 26-5-1952.
2)G.O. Ms.No.4015, Health dated 22-12-1952.

The present sanction for the continuance of the anti-malaria scheme for Puttur and Karkal Taluks accorded in G.O.Ms.No.1728, Health dated 26-5-1952 will expire on 31-3-1953.

While sanctioning the anti-malariak scheme, Coondapur Taluk as an extension to the main scheme of Anti-malaria measures for Puttur and Karkal Taluks, it has been ordered in G.O.Ms.No. 4015 H dated 22-12-1952 that the sanction for the former Scheme will be adjusted later to make it co-terminus with the sanction for the main scheme. Hence the following proposals are forwarded for the continuance of the Anti-Malaria Scheme in South Kanara District for the three taluks of Puttur, Karkal and Coondapur, from 1-4-1953.

Out of 153 villages under Malaria Control during the last period of sanction, 30 villages were deleted from the DDT spray programme as malaria ~~incidence~~ in these villages is well under control. However they are under close observation. During the next period of sanction, it is proposed to include 44 villages in Coondapur Taluk and 8 villages in Kasargod Taluk. With this, the entire malarious Malnad tracts in South Kanara District will be under control.

The good results of the Malaria control measures carried out in the area are evidenced from the following data:-

	1948	1950	1951	1952
1.Spleen Rates	45.9%	23.5%	9.45%	4.6%
2.Parasite Rates	8.3%	1.01%	0.55%	0.2%
3.Percentage of Malaria cases to total cases treated in the different Hospitals etc.				
a)Local Fund Hospital,Kadaba	55.4%	26.49%	23.4%	20.2%
b)Rural Dispensary, Uppinagady	37.1%	26.53%	19.1%	17.3%
c)Local Fund Hospital, Beltangady.	55.1%	27.2 %	24.1%	14.1%
d)Local Fund Hospital, Sullia	32.7%	17.7%	13.8%	17.5%
e)Rural Dispensary, Hebri	40.8%	26.1%	20.4%	15.2%

It is necessary that the scheme of Anti-malaria measures in South Kanara District including the taluks of Puttur, Karkal and Coondapur should be continued for a few more years. I therefore request that Government may be pleased to sanction the schemes sanctioned in G.O. Ms. No. 1728, Health dated 26-5-1952 and G.O. Ms. No. 4015, Health dated 22-12-1952 for a period of one year from 1-4-1953 with the following existing staff:-

Staff		Puttur and Karkal Taluks	Coondapur Taluk	Total staff
	Health Officer(Class I)	1	-	1
	Entomological Assistant	1	-	1
	Lower Division Clerks	2	-	2
	Health Inspectors	6	1	7
	Field Assistants	23	3	26
	Laboratory Assistant	1	-	1
	Peons	8	1	9
	Driver-cum-cleaner	1	-	1
	Spraying Mazdoors	92(for 7 months)	15 (for 7 months)	107(for 7 months

6. The above staff excepting the mazdoors may be permitted to continue to draw a special pay equivalent to 25% of their pay.

7. Sanction may also be accorded to the incurring of the following expenditure in the schemes of Anti-malaria measures for Coondapur Taluk and Puttur and Karkal Taluks:-

	Recurring Rs.	Non Recurring Rs.
1)Insecticides,Solvents etc.	Rs.72,700	
2)Office expenses,Rent, Maintenance and running charges for the motor transport and other Miscellaneous Contingencies	" 15,000	-
3)Laboratory and Field Equipments	" 1,500	1,500

8. The President, District Board, South Kanara, has been addressed to state whether the District Board, South Kanara will be in a position to meet two-thirds of the cost of the scheme in 1953-54 and a copy of his reply containing the views of the District Board, will be forwarded to Government as soon as it is received.

Yours faithfully,

FOR DIRECTOR OF PUBLIC HEALTH,MADRAS

Sub:- Malaria - South Kanara Dt. - Scheme of anti-malarial measures - continuance sanction of - x.

Ref:- From the D.P.H. R.No. 3750-1-Mal(2)-53 dated 3.2.1953

From the D.P.H. R.No. 3750-3-Mal(2)-53 dated 28.2.53

-x-

... In G.O. MS. No. 1728 Health dated 26.5.1952, the Govt. sanctioned the continuance, for a period of one year from 1-4-1952, of the scheme of anti-malarial measures approved for the Puttur and Karkal taluks of South Kanara Dt. The sanction for the scheme expires by 31.3.1953

2) While sanctioning the anti-malarial scheme for the Coondapur taluk as an extension to the main scheme of anti-malarial measures for Puttur and Karkal taluks, the Govt. ordered that the sanction for the scheme will be adjusted later to make it co-terminus with the sanction for the main scheme.

The D.P.H. has accordingly now submitted proposals for the continuance of the anti-malarial Scheme for the three taluks of Puttur Karkal and Coondapur of South Kanara Dt. for a period of one year from 1-4-1953. The continuance of the scheme for a period of one year from 1-4-1953 may be agreed to.

2) The D.P.H. has asked the President, District Board, South Kanara about the willingness of the Dt. Board to meet two-thirds of the cost of the entire Scheme. The President of the Dt. Board has

M 13388

replied to the D.P.H. that the matter will be placed before the meeting of the members of the Dt. Board to be held in March 53 and its decision intimated to him later on. Ordinarily approved schemes of anti-malarial measures should be carried out by the local bodies concerned with the assistance of one-third grant from the Govt. The scheme of anti-malarial measures for the Pattar and Kankal talukas was first sanctioned in 1948. As the Dt. Board was not in a position to meet any share of the expenditure, the scheme was executed entirely at the cost of Govt, during the first two years 1948-49 and 1949-50. During 1950-51 and 1951-52, the South Kanara Dt. Board contributed a sum of Rs 20,000/- towards the cost of the scheme. But in view of the large deficit in the budget of the Dt. Board for the year 1952-53, the Govt. decided to meet the entire cost of the scheme. They however directed that the sum of Rs 20,000/- provided by the Dt. Board in its budget for 1952-53 towards the cost of the scheme should be recovered from the Dt. Board and credited to State funds. It is not known whether the Dt. Board will be in a position to meet two-thirds cost of the scheme for the three talukas in 1953-54 and whether any provision has been made by the Dt. Board in its budget for 1953-54 for expenditure on the scheme. L.A. may kindly note on the financial position of the Dt. Board and indicate whether the Dt. Board can meet two-thirds cost of the scheme for the three talukas in the Dt. Finance may also see & offer remarks.

G.O.No 13399/53 L.A.Dept. (Bud.I).

The General Account of the South Kanara District Board for 1952-53 (R.E.) is expected to close with a deficit of Rs.2,23,940 and an advance grant of Rs.95,684 has been sanctioned towards this deficit. The question whether any additional grant should be sanctioned towards the deficit in the current year or whether any portion of the grant now sanctioned should be recovered will be considered after the actual closing balance on 31-3-1953 is known. The B.E. of the Dt.Board for 1953-54 contains a provision of Rs.20,000 for contribution to Government towards the cost of anti-malarial work in Puttur and Karkal taluks. Without taking into account the deficit in the current year, the General Account of the Dt.Board for 1953-54 is expected to close with a deficit of Rs.1,28,400. The Dt.Board will have to be given a grant towards the deficit in its account in 1953-54. The Board is therefore not in a position to meet any portion of the expenditure on anti-malarial works in Puttur and Karkal taluks. The proposal of the Dt.Board to pay a contribution of Rs.20,000 in 1953-54 need not be objected to.

With these remarks, the file may be passed on to Finance Dept.
